1.22 Release notes

Welcome to the uEducateUs 1.22 release.
The release notes have been set up to allow the different user types to easily find the issues that are relevant to them. *For example, if you are a parent, you only need to look in the **Parents** category to find all issues that affect you.*

The focus of this release was Improvements to **Parent Teacher Interviews** and **Behaviour Management**, as well as other various improvements and issue resolutions.

We encourage your feedback, as this feedback continues to help drive the direction and content of our release cycles.
